

BEGGINER LEVEL

PROGRAMME CONTENT

- **Beginner: level first step of generative language use**
- **The point at which the learner can interact in a simple way, ask and answer simple questions about themselves, where they live, people they know, and things they have.**
- **Initiate and respond to simple statements in areas of immediate need or on very familiar topics, rather than relying purely on a very finite rehearsed, lexically-organised repertoire of situation-specific phrases.**
- **Students at this level can understand and use familiar everyday expressions and very basic phrases aimed at the satisfaction of needs of a concrete type**
- **They can introduce themselves and others and can ask and answer questions about personal details such as where they live, people they know and things they have.**
- **They can interact in a simple way provided the other person talks slowly and clearly and is prepared to help.**
